

Insignia Technology Services Announces Sponsorship of National Veterans Small Business Engagement (NVSBE) Conference in St. Louis, Missouri

Newport News, VA., July 20, 2017 – Insignia Technology Services, LLC is sponsoring the NVSBE conference in New Orleans, Louisiana.

The 2017 National Veterans Small Business Engagement (NVSBE), this year's premiere construction event is scheduled for December 5 – December 7, 2017, in St. Louis Convention Center. NVSBE 2017 will focus on the Architecture, Engineering, Construction, and Facilities Maintenance (AECFM) industry. The basis for the focused theme of the Engagement is to address VA's most critical needs and performance gaps that are listed in VA's Strategic Capital Investment Planning (SCIP) Process Project List.

The Direct Access Program anticipates conducting other 'focused' Engagements such as Facilities Supplies and Services; Information Technology Supplies and Services; and Other Supplies and Services next year.
